DATACARD®
CERTIFIED SUPPLIES

CARD DELIVERY SUPPLIES

FOR THE DATACARD®
MXD™ CARD DELIVERY SYSTEMS
MXD™ LITE CARD DELIVERY SYSTEMS
MXD™ MAILER CARD DELIVERY SYSTEMS
& MXI™ ENVELOPE INSERTION SYSTEMS

Minimize cost-per-card with advanced Datacard supplies

Datacard® Certified Supplies are specifically tested and qualified for providing optimal results in the Datacard® MXD™ series card delivery systems and the MXi™ envelope insertion systems. Datacard certified supplies are system-matched to ensure smooth operations, unsurpassed quality and with exceptional performance for cost-per-card savings. These unique features are only available with Datacard Certified Supplies.

System Feature	Supplies Performance Features
Card Cleaning for the MXD™ Mailer Card Delivery System	Our advanced turret cleaning system thoroughly cleans the entire front and back of the card in one pass, using cleaning rollers and cleaning tape supplies. The MXD Mailer system optimizes cleaning cycles to achieve high supply conservation and consistent performance, eliminating the need for the additional expense of downstream cleaning supplies.
High Speed Quality Forms Personalization	The in-line high speed form printers offer cost effect performance solutions allowing personalized text and messaging for each mail-ready package. The printer toner cartridges and other consumables are all backed by our full twelve month warranty. We guarantee each supply will meet expected high quality and performance requirements with assurance of Datacard worldwide support.
In-line Card To Form Affixing	The MXD series systems utilize pressure sensitive transparent card affixing stickers. The dual-sided stickers provide permanent adhesion to the paper form with removable adhesion to the card. This allows easy card removal from the form with no glue residue and offers the versatility of reapplying the card during production quality verification checks

DATACARD® CERTIFIED SUPPLIES
FOR THE DATACARD® CARD DELIVERY SYSTEMS

MXD™ series Card Affixing Stickers		
Item Number	**Description**	**Yield/Roll*** (approx.)
558734-101	MXD Card affixing Sticker roll	Up to 15,200
*Yield is estimated based on production use. Actual yield may vary.		

HP® 9050 and 9040 Laser Printer Consumables		
Item Number	**Description**	**Yield** (approx.)
807839-101	HP toner cartridge	*See note below
569517-001	Datacard certified toner cartridge	*See note below

*Estimated yields of approximately 30,000 page sides with up to 5% printed ink coverage per form. Actual yields may vary.

As a full solution provider, Datacard carries both the OEM toner cartridge as well as the Datacard certified toner cartridge for an economically priced choice. Cartridges have been rigorously tested and certified for reliable performance backed with the same Datacard no risk guarantee.

Ricoh® 907 High Speed Laser Printer Consumables		
Item Number	**Description**	**Yield** (approx.)
810619-010	Toner Bottles (4 toner bottles per pack)	**See note below
810619-011	Black developer	500,000
810619-117	Photoconductor drum	1,000,000
810619-116	Fuser cleaning web	500,000 A4 750,000 Letter
810619-107	Waste toner bottle	N/A

**Toner yield is dependent on percent of ink coverage per printed form side:
6% coverage = approx. 60,000 page sides per toner bottle (240,000 per toner 4pack)
Actual results may vary depending on system speed, print coverage and simplex or duplex mode.

Note: The Fuser unit is not listed here as a consumable supply item for this printer as this robust assembly is a repairable unit through Datacard parts and service.

Ricoh® DDP 92 Laser Printer Consumables		
Item Number	**Description**	**Yield** (approx.)
807601-010	Toner Bottles (6 toner bottles per pack)	***See note below
807601-016	Black developer	480,000
809739-012	Photoconductor drum	500,000
809739-020	Fuser	1,600,000
807601-014	Fuser cleaning web	320,000
807601-108	Waste toner bottle	N/A

***Toner yield is dependent on percent of ink coverage per form:
4% coverage = approx. 36,000 page sides per toner bottle (216,000 per toner pack)
7% coverage = approx. 20,500 page sides per toner bottle (126,000 per toner pack)
Actual results may vary depending on system speed, print coverage and simplex or duplex mode.

MXi™ Envelope Insertion System Supply		
Item Number	**Description**	**Yield*** (approx.)
806238-950	Envelope sealing wetter fluid, 1-liter bottle	Up to 7,000
*Actual results may vary depending on system speed and environment.
